**DEFENDANT’S MOTION FOR LEAVE TO
FILE THE ADMINISTRATIVE RECORD ON DVD**

Pursuant to Appendix E of the Rules of the United States Court of Federal Claims (RCFC), defendant, the United States, respectfully requests leave to file¹ the administrative record utilizing a Digital Versatile Disc (DVD). This case is designated an electronic filing case pursuant to the Court’s CM/ECF system. Our administrative record in this case will exceed the four megabyte (MB) size limitation of electronic files and the 50-page limitation for printed documents provided in RCFC Appendix E and RCFC 5.4.

The administrative record is a voluminous set of documents that can be most efficiently delivered to the Court and the plaintiff upon a DVD. This method will provide efficient and easy access to the record, because we can submit the record in searchable format. We will also deliver a paper courtesy copy to the Court pursuant to RCFC Appendix E, paragraph 10. Defendant will also send a paper copy of the record to plaintiff’s counsel.

For these reasons, defendant respectfully requests that this motion for leave to file on DVD be granted.

¹ Plaintiff has indicated that he intends to file a motion for protective order in this case today. The United States has no objection to entry of a protective order and will, of course, file the administrative record under seal if instructed to do so.

Respectfully submitted,
